

## The Barlow Foundation

### How can I help?

- Contribute.... **The Barlow Foundation** is a 501(c)(3) charity, making your contribution tax deductible!
- Look at our on-line catalog with items that make great gifts!
- Support our fundraising activities by attending, or donating to make the event a great success!
- Volunteer! Every event takes volunteers to coordinate and make the event a great success!

Visit our website at:

[www.thebarlowfoundation.org](http://www.thebarlowfoundation.org)

and mark your calendars for our events and share them with your friends and family!

Foundation

## The Barlow Foundation

**A Cancer Charity that gives directly to those battling cancer. With an emphasis to those who work and play in the Outdoors!**

Bradley "Barlow" Spencer

**Helping to Change  
One Family's Life at a  
Time!**

**Phone: 970.302.6209**

## Business and Corporate Support:

The Barlow Foundation succeeds by support from individuals as well as support from businesses large and small.

Business and Corporate support ranges from donations of items for individual events, cash and in kind donations, and large philanthropic donations!

Supporting The Barlow Foundation is a great way to directly support your community.

The Barlow Foundation offers promotion and support to its business partners through recognition at events, on its website, through social media, and much more based on the amount of support offered and the desires of the business partner!

## Events:

We have fundraising events that vary from a family fishing day, to the Annual Red Neck Gala.

## Your Money Counts!

The Barlow Foundation strives to make every penny count to help families and individuals with financial assistance while they battle Cancer!

We give an emphasis to those that work and play in the Outdoors as Brad was an avid Outdoorsman! Our events evolve around experiencing outdoors activities, family, and fun!

Your contributions help to put some of these worries at ease while people are seeking medical treatment.

## The Barlow Foundation

uses your contributions to help with mounting bills, travel expenses, or home finances.

This allows the patients and their families to concentrate on healing rather than distracting financial burdens!

### Your Donation Helps pay for:

- Fuel cards and lodging for Medical Trips
- Groceries/Food
- Travel for treatment
- Utilities
- ...and much more!
